## CREATING AND MAINTAINING SAFE ENVIRONMENTS GUIDANCE FOR INDICATOR 1.3

### 1.3A Guidance on Creating a Code of Behaviour with Children

Children should be involved in drawing up a code of behaviour for themselves; however, it is important that in working with children, an appropriate adult with relevant skills and competencies participates to support them in developing the code of behaviour.

The methods used in creating a code of behaviour should be age and ability appropriate, with children being encouraged to avoid merely drawing up a list of prohibitions. Instead, the code should be comprised of positive statements about respect, and should consider what consequences ensue if the code is broken.

In developing the code, consideration should be given to the following:

- Treating everyone with respect;
- Treating property with respect;
- Not consuming alcohol, tobacco or illegal drugs;
- Agreeing not to bring any physical item into the Church activity that may cause offence or harm to others;
- Acting as a good role model;
- Attending activities on time;
- Signing in and out;
- Turning off your mobile phone;
- Telling someone you trust if you feel uncomfortable with any situation or individual;
- Not using bad language when communicating by phone or email;
- Never bullying anyone or sending threatening messages.
