CREATING AND MAINTAINING SAFE ENVIRONMENTS GUIDANCE FOR INDICATOR 1.4

1.4A Guidance on Safe Care for Children

Our generation will show that it can rise to the promise found in each young person when we know how to give them space. This means that we have to create the material and spiritual conditions for their full development; to give them a solid basis on which to build their lives; to guarantee their safety and their education to be everything they can be; to pass on to them lasting values that make life worth living; to give them a transcendent horizon for their thirst for authentic happiness and their creativity for the good; to give them the legacy of a world worthy of human life; and to awaken in them their greatest potential as builders of their own destiny, sharing responsibility for the future of everyone. If we can do all this, we anticipate today the future that enters the world through the window of the young.

– Pope Francis (2014)

To build a safe and solid environment for children, each Church authority must strive to be child-centred in their practice and behaviour. In practical terms, this will include clear written procedures outlined in the following templates and guidance documents.
